The PCC of St John and St Leonard have adopted the following Diocese of St Alban's Policies for implementation within St John's and St Leonard's, subject to

- references to "The Board" being taken as to "The PCC" except where responsibility lies beyond that of the PCC and will therefore revert to "The Board"
- references to Diocesan Officers and Office Holders retain their plain meaning as written, except that referrals shall be made by either the Rector or one of the churchwardens.

The adoption of these policies is to be reviewed by the PCC by November 2027.

The policies are available on-line at https://resource.stalbansdiocese.org/courses-events-and-resources/?tags=policies&search_types=&search_topic_types=&orderby=name&order=asc
