The Church of St John & St Leonard

The Parish of St John and St Leonard, Bedford

Health and Safety Policy Statement.

It is the policy of the Parochial Church Council of St John and St Leonard, Bedford, to respect all those who are employed by the Council, work with the Council, use the premises of St John's and St Leonard's or are otherwise affected by the undertaking of the Council.

It is our belief that every person is made in the image of God and is valued by Him.

As part of our respect for them the Council will, so far as reasonably practicable, provide a safe and healthy environment for any person as described above to carry out lawful activities.

This policy will be worked out through arrangements of appropriate detail for relevant activities, to ensure that legislative requirements are met as a minimum level of provision for health and safety.
